Technical information...

An all instant single canister vendor, which requires a 13 amp electrical supply and a 15ml BSP water supply to make a perfect brew.

Pause perspective rating...

The Bravilor Bolero 111 uses an insulated water boiler to reduce energy consumption and makes no waste when making the drink. All in all the Bravilor Bolero 111 is rather splendid, so it receives an environmentally friendly pause perspective rating of 3. It really is special... so it's smiles all round.
