

Let's taste...

Cafeology Fairtrade Buena Venta Beans

What're they like a blend of beans, perfectly combined for bean to cup machines

Key features...

- Fairtrade
- A blend produced from 4 origins: Tanzania, Colombia, Costa Rica and Sumatra
- Produced specifically for bean to cup vending
- Excellently combining a perfect mix of Arabicas with a small percentage of Robusta beans
- A bold heavy bodied espresso, balanced with subtle sweetness and Smokey/Spicy notes and a hint of liquorice
- Great for milk based drinks with a thick and persistent finish
- Flavour strength 3
- 6 x 1Kg

Recommended for...

Bean to cup machines

How is it packed?...
