Key benefits...

- Easy to use
- Quality drinks
- Water and steam arms
- Hot and foamed milk
- Two bean grinders
- Visible bean display
- Variable programming

Recommended products...

Cafeology Fairtrade Buena Venta Espresso Beans

Technical information...

An attractive bean to cup coffee machine using fresh milk for all latte style beverages. Available as un-plumbed. Optional milk cooler and plumbing kit available for all those budding plumbers out there.

Pause rating...

The Franke Flair has sleep modes and automatic switch off when not in use and its waste products are compostible. All in all the Franke Flair is rather splendid, so it receives an environmentally friendly pause rating of 3. It really is special... so it's smiles all round.
