- Multiple payment options

### Key benefits...

- Minimum maintenance needed
- Good visual impact
- Comprehensive product range
- Excellent portion control
- Easy to maintain
- Utilises real tea bags
- Simple to operate

### Recommended products...

Range of Kenco/PG/Suchard In-cup drinks

### Technical information...

The K Bar is a freestanding in-cup machine that offers a wide range of branded beverages. It's available only as plumbed and requires a 13-amp electrical supply. It has a massive cup capacity of 1200, which is mightily impressive.

### Pause perspective rating...

The Kenco K Bar is manufactured from recyclable materials. The only waste products are its paper cups, which can be re-cycled. All in all the Kenco K Bar is doing rather well; therefore it receives a reasonably environmental pause perspective rating of 2. It really is good... so it will raise plenty of smiles.
