Kenco Singles Range

### Technical information...

A drinks station using capsules to supply a wide range of filter and instant products. It's available as plumbed or un-plumbed with optional base cabinet and payment system. A 13-amp electrical supply is required, plug it in and let it work its magic.

### Pause rating...

The Kenco Singles is manufactured from recyclable components, which can be re-used. It's singles capsules can now be collected by Save a Cup. All in all the Kenco Singles is rather splendid, so it receives an environmentally friendly pause rating of 3. It really is special... so it's smiles all round.
